One of the provisions of the above act is that the judge of each Circuit Court in this State shall appoint five citizens as a Pension Board to examine into and

Confident that our judges will gladly avail themselves of the aid of our camps in the effort to do justice to the State and our deserving and disabled comrades, it is urgently recommended that every camp in this department shall, at once, confer with the judge of the Circuit Court of the county or city in which their camp is located, in refer-to the appointment of suitable persons on said pension board, which have to be made about the first of April, and to sive such assistance as may be desired. Unless immediate action is taken it may be too late, as the act was in operation

QUESTION ANSWERED. Yes, August Flower still has the largest sale of any medicine in the civilized world Your mothers and grand mothers never thought of using any-thing else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendictis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undi-gested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious
